SUBJECT: PREVENTION LINK ANNUAL ADVOCATE RECOGNITION AWARD 2020

Prevention Link is incredibly proud of the many dedicated advocates working to improve the lives of injured, ill and disabled workers in Ontario. We recognize that at the best of times this work can be daunting and complex, yet very rewarding.

In light of the current situation, many advocates continue to fulfill their roles, doing so in isolation and under more difficult circumstances. In recognition of their tireless efforts, Prevention Link will be awarding 10 advocates our esteemed Prevention Link Disability Prevention Activist Award<sup>1</sup>. Nominations are required and will be subject to review by a committee. Nominations must be submitted **no later than August 4, 2020.**

Please consider the following when selecting a candidate:

- \* The person's position/title/role at work and/or in the community
- \* Time frame (number of years or time on specific contribution or issue)
- \* How this person has shown perseverance to the issue
- \* How this person has educated or increased awareness to others
- \* Any specific Workers Compensation or disability rights contribution
- \* Outcome of contribution to an individual and/or community or workplace

Nomination forms can be downloaded from our website: [www.preventionlink.ca](http://www.preventionlink.ca).

From the Prevention Link team, we thank you for helping to raise awareness for this important work and for joining us in recognizing these tremendous advocates!

In Solidarity,
